

Allendale Primary School
Weekly Update 25/11/2019

Many thanks to all the parents who brought their children to the Christingle yesterday; we were very well represented and the children sang their song with gusto. It was a lovely service and the Christingles were very much appreciated.

Our Christmas Fair is this **Friday 6th December, 5pm to 7pm**. Any donations are still welcome. Father Christmas will be there, our silent auction, refreshments and many other activities and stalls. This is the PTFA's major fundraiser for school so we would encourage as many families as possible to attend.

Last week we sent out some information from Public Health England about the number of flu / sickness bugs going around. Anyone who came to the Christingle yesterday will have seen how this decimated the Whitfield pupils. We are encouraging the children to wash their hands regularly but if your child does get a sickness bug they must be off school for 48 hours so that it doesn't spread to other pupils or teachers.

We have a busy 3 weeks coming up as we start rehearsing our Nativity performance but there are other events taking place as well. These are the dates for your diary:

Friday 6th December - Christmas Fair 5pm - 7pm

Tuesday 10th - Thursday 12th December - PTFA Elf Shopping
