

English

In English we will be looking at persuasive writing (including writing a travel brochure), diary writing and descriptive writing. There will also be a focus on SPaG and Reading for Year 6.

Science

In Science we will be looking at life cycles of animals, including humans. This will include looking at how humans change and develop through childhood and adulthood. We will also look at food chains and adaptations of animals.

Geography

In Geography we will be looking at India and its physical geography and layout, especially focusing on mountains and rivers. We will be learning how to read different maps and use primary sources to reach conclusions.

Art and DT

The class will be working on a range of projects this term linked to India. We will also be creating work based on famous British artists for display, including a project on Pop Art.

RE

In RE we will be learning about the main values and beliefs in Hinduism. We will learn about Hindu Gods and Goddesses and the belief that life is a cycle of birth, death and rebirth.

ICT

In ICT we will use different devices to carry out research. We will also be focusing on how to stay safe online (in conversations, on websites and in the content we watch/ share).

PE

The class will be receiving coaching from Ms Porteous on a Tuesday. The children will use running, jumping, and throwing and catching skills in the context of athletics

French

The class will be taught French by Mrs Hawkins.

History

This term in history we will be looking at the history of India and how it has shaped the country that exists today. There will be strong links to RE and Geography as we explore this topic.
