

Allendale Primary School
Weekly Update 25/11/2019

Many thanks to everyone who sent in a donation on Friday for the Christmas Fair.

Last Wednesday, Mrs Clarke and I took 3 School Council/ Eco Council members to the Modeshift Awards in York. It was a very successful trip as Allendale Primary School won Northumberland Primary School of the year and then at the end of the ceremony were announced as North East regional school of the year. We now go forward to the national finals in London next year to represent the North East.

Modeshift Stars is an award that recognises schools' efforts to promote active travel to school and address pupil safety in encouraging parents and family members to be considerate in their parking outside school premises.

This Sunday is the Christingle, 3pm at St Cuthbert's Church in the village. All children are invited to attend; our school has a song to perform and some of the Y5 children are reading during the service. Children should wear their school uniform.

Tomorrow, thanks to PTFA funding, we have a Theatre company in school performing The Bluebird of Happiness.

On Thursday Y4/Y5 and Y6 will be going to HBHS to take part in some art and PE workshops for the day. The children should come dressed in their PE kits and bring a packed lunch.

Friday is late night opening in the village. The Young Notes singing group will be singing outside the Forge at 6pm.

Next Monday, 2nd December, there is a Y5/6 cross country competition at Ovingham Middle School.
