

English

In English we will be looking at creating stories, based on Victorian life. We will also be looking at information texts and descriptive writing using more advanced language and punctuation.

Science

In Science we will be looking at forces and how they act upon an object, including gravity, air resistance and friction. We will be carrying out a range of investigations designed to test our ideas.

Geography

In Geography we will be looking at the countries of the British Empire and practicing our map skills. We will also be looking at human geography and how trade and the industrial revolution have shaped Britain.

Art and DT

The class will be working on a range of projects this term linked to the Victorians, including portraits, the work of William Morris and project work linked to engineering and entertainment.

RE

In RE we will be learning about Humanism - Looking at religious and non-religious world views.

Music

The class will continue with Djembe tuition this term.

ICT

In ICT we will use different devices to carry out research. We will also be focusing on how to stay safe online (in conversations, on websites and in the content we watch/ share).

PE

The class will be receiving coaching from Ms Porteous on a Tuesday, focusing on Multi-skills and Gymnastics. The children will also be encouraged to consider the benefits of exercise on their mental and physical wellbeing.

French

The class will be taught French by Mrs Hawkins.

History

This term in history we will be looking at the Victorians, exploring what life was like for the rich and poor, the life of Queen Victoria, advances in technology and engineering and other aspects of Victorian life.
